UNM Board of Regents Set April Meeting Schedule

The University of New Mexico Board of Regents will hold a special meeting Thursday, April 3, in the Roberts Room in Scholes Hall on UNM's main campus. The only purpose of the meeting is to approve or disapprove the tuition and fee recommendations presented by the Finance and Facilities Committee.

The Special Meeting will be called immediately following the Finance and Facilities Committee recommendations. The Finance and Facilities Committee meeting is scheduled at 9:30 a.m.

The agenda of the special meeting is as follows:

1. Adoption of the agenda and establishment of a quorum.
2. Vote on tuition and fee recommendations presented by the F & F Committee.
3. Adjournment

The UNM Board of Regents will conduct its next regular monthly board meeting on Wednesday, April 30, at 9 a.m. in Ballroom C of the Student Union Building on the UNM main campus.

The Finance and Facilities Committee will hold their Thursday, April 3, at 9:30 a.m. meeting in the Roberts Room in Scholes Hall. In addition to the three regents who are members of the committee, other regents may attend this meeting in a non-voting capacity.

Copies of the agendas will be available at University Communication and Marketing (Welcome Center in the Cornell Parking Structure) at least 24 hours before the meeting. Agendas can also be found at <http://www.unm.edu/regents/agendas.htm>

Individuals with disabilities in need of a reader, amplifier, qualified signed language interpreter or any other form of auxiliary aid or service to attend or participate in a Board of Regents' meeting should contact University Communication and Marketing. Public documents, including the agenda and minutes, can be provided in various accessible formats and individuals who need accessible formats also should contact University Communication and Marketing.

The University of New Mexico is the state's largest university, serving more than 32,000 students. UNM is home to the state's only schools of law, medicine, pharmacy and architecture and operates New Mexico's only academic health center. UNM is noted for comprehensive undergraduate programs and research that benefits the state and the nation.
