The next regular meeting of the University of New Mexico Board of Regents will be held on Thursday, August 22, 2024. The open session portion of the meeting is scheduled to commence at 9:00 AM on the UNM Valencia Campus, in the Student Center. There will be a Luncheon Executive Session immediately following the open session on the UNM Valencia Campus in the Arts & Sciences Building, Room A101.

Public comment is welcome and encouraged. For all matters, the Board Regents reserves the right to limit public comment or to require commenters on a topic to consolidate and/or organize the points they wish to make through their comments. In this connection, the Board of Regents will proceed as follows as a general practice:

- Public comment will be on an in-person basis or in writing (not via Zoom);
- The Board will limit live speakers on a given topic at Board meetings either (a) to no more than 7 speakers present, with a time limit of 2 minutes each, or (b) up to an aggregate of 15 minutes if the presenters opt to organize their comments. If the former, the live-speaking slots will be granted to the first 7 speakers who sign up;
- Additional comments are welcome in writing and will be noted in the records of the meeting.
- The Board will limit speakers to topics that are germane to the governance of the institution.\*
- To accommodate transparent communication with speakers on the availability of speaking slots, etc., the public comment signup deadline will be 48 hours prior to the start of a scheduled meeting.

\* At present, the Board considers public comment related to the UNM Investment policy to be a “topic germane to governance of the institution.” The Board will allow up to 30 minutes (up to 15 minutes per side) for live speakers at the meeting. These can either be the first 7 who sign up, or a consolidated presentation representing the position.

To register, please email [regents@unm.edu](mailto:regents@unm.edu) with the subject "Request to provide public comment at 8/22 Regents' Meeting", and include the following information:
